

Oak Curriculum - Term 5

We are Authors

Unit 1

How is language used to create suspense and tension?

As authors, we will be studying Shakespeare's 'Macbeth.' We will delve deeply into this story of ambition, treachery and the supernatural.

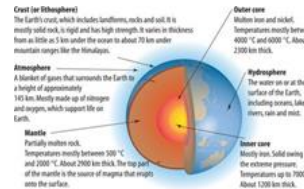

We will write parts of the story, focusing on manipulating clauses to add suspense and dialogue to move the action forwards.

We are Geographers:

Unit 2

What is our Earth made of?

We'll be studying the layers of the Earth including the inner core, outer core, mantle, crust and tectonic plates. We will learn about how land has moved and how our landscape has changed.

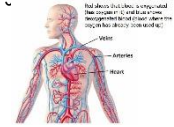

We are Scientists:

Unit 3

How does the circulatory system work?

What are the 4 different elements of our blood?
How does the heart pump blood around our bodies?

We will study how exercise affects our heart rate, what white blood cells do, facts about the first person who discovered we had a circulatory system and so much more!

Writing opportunities

- Writing short pieces linked to Macbeth (narrative)
- A non-chronological report about the layers of the Earth (non-fiction)
- An explanatory narrative about how a red blood cell travels around our body (adventure)
- Frequent grammar practice

Maths

Revisiting all the 'tricky' maths from this year.

- Recap on fractions and decimals
- Recap on shape (properties, angles, rotation, symmetry etc)
- Recap on measure conversions
- Long division
- Recap on area and perimeter
- Daily arithmetic practice
- Daily reasoning problems

Key Events

Cycling proficiency week 1
SATs week: WB 13th May 2024
Monday 13th May: Spelling and Grammar papers
Tuesday 14th May: Reading
Wednesday 15th May: Arithmetic and Reasoning
Thursday 16th May: Reasoning
Auditions for the Y6 PLAY! (week 6)
Home learning has been sent home for Easter and beyond. Please see newsletter and homework folders for more info.
