John enjoyed his breakfast because it tasted like delicious chocolate. He had bacon, eggs, and orange juice which all tasted like chocolate.

After John ate his breakfast, then he went to school. John chewed his shoe suddenly it turned to chocolate. Then he ate all of his shoes. He went over to Sarah and she showed him a silver coin. He said "are you sure that is not chocolate?"

"Yes," she replied.

Then he matched it and bit the coin in his mouth, it turned to chocolate.
