How to Wash Your Hands.

You Will need:

- Soap
- Warm water
- Towel or paper towels
- Step stool

What to do:

1) Turn on the tap.
2) Get your hands wet.
3) Put soap on hands.
4) Rub hands together, incroding in between fingers.
5) Wash off the soap.
6) Dry your hands thoroughly.

*Remember to turn off the tap.*
