

**JOY Class**

Your home learning for each term is YOUR CHOICE! You will be given 3 weekly activities that **must** be done. You will then have 4 further activities to choose from and you will need to complete at least 2 of these activities over the term. If you think of something different to those that are listed, check with your teacher and you could do that instead! It is entirely up to you how you present your work but please try to do a variety of tasks. All home learning is due in on a **Wednesday**.

<p>Must do activities (weekly)</p>	<p><b>Reading x3 per week</b> : Remember to record all reading in your reading diary</p>	<p><b>2. Complete the weekly home learning tasks set by Mrs Magson</b>  <b>3. Spellings:</b> Practise your spellings ready for you check up on Friday</p>
	<p>Create a poster about a dinosaur of your own choice to show the rest of the class. Remember to try and make your poster colourful and eye catching, full of interesting facts and information to help us learn all about your dinosaur.</p> 	<p>Make some salt dough and model a dinosaur. You could also make some dinosaur bones to bring in and show the class.</p> 
<p>Could do activities (during the term)</p>	<p>Find out about the different sizes of dinosaurs. Which was the biggest? Which was the smallest? Can you draw 5 dinosaurs or find pictures and put them in size order?</p> 	<p>This is for you to do something extra which may be of interest to you. Maybe you have a hobby you could tell us about or a talent that you would like to share with the class? We look forward to hearing all about it!</p>

**TOP TIP!** Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to, **but the end result must be your own work**. Take your time, redraft if you need to. Produce your best work and have fun!
