

Sutton Benger C of E Primary School Termly Home Learning Planner

Dove Class: Term 1 2019 - 20

In addition to weekly home learning, you have a further four activities you could choose from below. We are hoping you will put in a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class.

TERMLY	<p><u>My face collage</u></p> <p>Ask your parent/carer if you can cut out pictures from magazines or toy Argos catalogues. Find a piece of paper, card or cardboard to stick your cut-outs onto in order to make a face.</p> <p>Parents: If you have access to a computer, you could have a look at these artists for inspiration: Kurt Schwitters and Hannah Höch.</p>	<p><u>Technology from the past</u></p> <p>Find out what an adult in your family used to communicate, take pictures and video with others when they were younger (a grandparent would be good). Find out as much as you can about the technology by asking questions and then report to the class what you learnt.</p> <p>You could draw a picture of them with their device in your home learning book.</p>
	<p><u>Caring for small animals</u></p> <p>Do you have a pet or a small brother or sister? Perhaps you have both! How do you and your family take care of them? Draw a cartoon strip of a typical day caring for your small animal. Remember to include everything they need to stay happy and healthy.</p>	<p><u>Times Tables Rock Stars</u></p> <p>This is a fun online maths resource that the school has made available to you. Develop your own rock star character as you learn your times-tables and number bonds facts. Your login details are in your school diary.</p>

TOP TIP! Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to but the end result must be your own work.

Take your time, redraft if you need to. Produce your best work and have fun!
