This morning I told Mum about all of the fruit that Grandpa grows. I told Mum that I didn't want tinned pears.

After lunch we went shopping.

At the supermarket we saw crunchy apples and juice pears. I said to Mum that

Granpa grow lots of fruit.

Mum filled the shopping trolley with fruit. Later on when we got home Mum

said we have all the fruit that we need so help your

self. I shook my head and said no I don't like fruit

I just helped Granpa oh Oliver. Mum said.
