John enjoyed his breakfast because it tasted like delicious chocolate. He had bacon, eggs and orange juice which all tasted like chocolate.

After John ate his breakfast then he went to school.

John chewed his glove suddenly it turned to chocolate. Then he ate all of his gloves. He went over to Susan and she showed him a silver coin. He said "are you sure that is not chocolate?" yes she replied. Then he snatched it and bite the coin in his mouth it turned to chocolate!
