How to Wash Your Hands.

You Will Need:

- Soap.
- Warm water.
- Towel or paper towels.
- Step stool.

What to do:

- 1) Turn on the tap.
- 2) Get your hands wet.
- 3) Put soap on hands.
- 4) Rub hands together, including in between fingers.
- 5) Wash off the soap.
- 6) Dry your hands thoroughly.

* Remember to turn off the tap.
