Star Writer!

Today I had some
cereal and I thought
of Grandpa's fruit.
At lunch Mum asked
if I wanted some
tinned pears I said
Grandpa grows pears.
After lunch we went
shopping when we got
there I told Mum
about Grandpa's plums
and cherries.
Mum said, look
over there!
I said why?
I looked, I saw
apples and black currants
and pears. MMM I
said I still think
Grandpa's fruit is better.
Mum said what about
bananas or grapes.
Mum and I filled
the trolley with
fruit.
I asked if we
could buy a pineapple
so we did. I helped
Mum carry all the
bags home.
Mum said
the fruit is all fresh.

I shook my head.
I don't like fruit.
Then Gran and Grandpa
arrived I was super
excited.
We chopped the fruit
and we made a fruit
salad.
I liked fruit salad
and I had three
helpings.
