

Beech Class spellings Term 2

Week beginning 8th November

Choose which option is most suitable:

- 1) Learn the **first six** words.
- 2) Learn **any ten** words.
- 3) If you are confident spelling all the words in this list, find new words that use the a given word as a root by adding a suffix or prefix (e.g. worked, surprisingly). Notice whether or not the root word changes.

Whichever option you choose, it is important that the words are practiced within sentences as well as individually.
