

Beech Class spellings Term 2

Week beginning 22nd November

Choose which option is most suitable:

- 1) Learn the **first six** words.
- 2) Learn **any ten** words.
- 3) If you are confident spelling all the words in this list, find new words that use the a given word as a root by adding or changing a suffix or prefix. Notice whether or not the root word changes.

Whichever option you choose, it is important that the words are practiced within sentences as well as individually.
