

## Beech Class spellings Term 2

### **Week beginning 29<sup>nd</sup> November**

Choose which option is most suitable:

- 1) Learn the **first six** words.
- 2) Learn **any ten** words.
- 3) If you are confident spelling all the words in this list, find new words that use the given word as a root by adding or changing a suffix or prefix (or both, e.g. **unfriendly**). Does the root word change?

Whichever option you choose, it is important that the words are practiced within sentences as well as individually.
