

Hope Class

Your home learning for each term is YOUR CHOICE! You will be given your 4 weekly activities that **must** be done. You will then have 4 further activities to choose from and you will need to complete at least 2 of these activities over the term. If you think of something different to those that are listed, check with your teacher and you could do that instead! It is entirely up to you how you present your work but please try to do a variety of tasks. Any homework completed is due in on a **Wednesday**.

<p>Must do activities (weekly)</p>	<p>1. Reading x3 per week : Remember to record all reading in your yellow book.</p> <p>2. Complete the weekly home learning tasks set by Mrs Bucksey and Mrs McSloy</p>	<p>3. Spellings: Practise your spellings ready for your weekly test</p> <p>4. Practise your times tables using Times table Rockstars.</p>
<p>Could do activities (during the term)</p>	<p>Create a 3D timeline from the Stone Age to the Iron Age</p> 	<p>Find out some interesting facts about the Stone Age, the Bronze Age or the Iron Age and make a quiz.</p>
<p>Could do activities (during the term)</p>	<p>Choose a Stone Age, Bronze age or Iron age site from across the World to describe – think about where it is in the World, what it looks like and what was discovered there.</p> 	<p>Make your own stone age necklace using found objects. Make some of your own prehistoric rock art and take some photos.</p> 

TOP TIP! Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to **but the end result must be your own work**. Take your time, redraft if you need to. Produce your best work and have fun!
