

Think about the story 'Can you Catch A Mermaid?' by Jane Ray.

First, talk through your ideas with a partner if possible, and then answer these questions.

1) Name and describe the main characters in the story.

---

---

---

---

2) What do you most like (or dislike!) about the story, and why? Give reasons with as much detail as you can.

---

---

---

---

3) Why do you think Eliza decided to return the mirror to Freya? What were her feelings at this point in the story?

---

---

---

4) How did Eliza change as the story progressed? Why did she change, do you think?
