BLOWN-UP BLUEBERRY

Miss Violet Beauregarde, a lucky golden ticket finder, was blown up in an incident at Mr Willy Wonka's chocolate factory.

"One second she was chewing the gum then was the size of an elephant but the colour of a blueberry" said Mr Beauregarde

in tears after the tour.

But Mr Willy Wonka took a different

point of view he had said

"I warned her not to chew the gum, she did anyway."
