Charming Charlie becomes Chocolate Keeper!

Scoop of the day
by William P.

Young, Charming Charlie today became the new owner of Mr. Wonka's famous Chocolate Factory!

Talking to Charlie outside the factory gates he said, "it was lucky that I spent my last bit of money to win the Golden Ticket! There are so many cool chocolate rooms inside the factory but my favourite is the Chocolate River!"

Caringly he went on to say "I felt sad and scared when Augustus Gloop disappeared up the pipe, but luckily he survived. He just got covered in chocolate, although someone said he tried to eat his chocolate fingers!"

When asked how he felt about becoming the new owner, Charlie commented "I was so excited! I couldn't believe my Luck!" Ever generous Charlie went on to say "I will have to share all the chocolate with my family and friends as its too much for me! They will be so excited too!"
