

FUDGE TIMES

Bye blueberry violet!

Yesterday one
of the golden
ticket finders,
Violet Beauregarde
was turned into

a huge blueberry
during her factory
tour.

She had to go into
the squeezing
machine, to try
and squeeze
all the juice
out of her!

It worked to
reduce her size,
but she is still

blue & purple.
When interviewed,
she was still
very angry and
said, "I'll be
suing Mr Willy
Wonka!"

She claims she
was never told
this could happen.
Mr Willy Wonka
refused to comment.
