

You will be given **3 weekly activities that must be done**. In addition, you have a further 4 activities to choose from below. We are hoping you will put in a lot of effort for each piece and you will enjoy sharing all your hard work with the rest of the class.

WEEKLY	Reading (At least three times a week).	Spellings (Practise your spellings for your test). Complete the weekly home learning tasks set by Mr Lawrence.
TERMLY	<p>Who were the Norse gods and where did they live?</p> <p>Design a family tree (a Pantheon) of Norse Gods. Give a short description of each god and either draw the god or find an image of the god to illustrate your Pantheon.</p>	<p>In RE we are learning about Sikh stories.</p> <p>Find your favourite Sikh story and learn it off by heart to tell your classmates.</p>
	<p>Choose an animal (maybe your favourite or pet?) and find out about its life cycle. Think about how many stages its life cycle has, and split up the circle below so that it has a section for each stage of the life cycle. Draw and describe each stage.</p>	<p>Find Scandinavia on a map.</p> <p>Draw your own map of Scandinavia. Label the map with the name of each country and the main three cities in each country. Illustrate and label the main physical (natural) geographical features such as mountains, plains, plateaus, seas and rivers.</p>

TOP TIP! Most of these projects may take a few goes before they are finished, that's normal. Plan out what you want to do before you start, chat through your ideas with someone else if you want to **but the end result must be your own work**. Take your time, redraft if you need to. Produce your best work and have fun!
