

Peace Class Newsletter - Term 2

Dear Parents,

The children are well and truly back and ensconced in the new term. We will continue to study our topic 'Stone Age to Iron Age'.

During the course of this term, we will be learning all about Stone Age and Iron Age civilisations - where major settlements were and what features the settlements had in common. In History, we will be looking at the role of an archaeologist and thinking about the changes that occurred over the period. Our English will, continue to use the book Wolf Brother, however we will also be using other texts to help us write instructions, explanations and persuasive texts.

In Maths we will be focussing on Multiplication and Division, Perimeter and Area in Problem Solving.

In art and design, we will be making our own torc and designing our own Bronze Age jewellery. We are continuing to build our website about the Stone Age in Computing.

In Science, we will be finishing off our work on States of Matter before moving onto considering sound including volume and pitch.

PE this term will be on Tuesdays and Thursdays. On Tuesdays, we will be doing Basketball and on Thursdays we will doing Hockey.

If at any point should you have any questions or queries, please do come and find me.

With very best wishes,

Mr Lawrence

Just a reminder...

<i>PE Kits Needed</i>	<i>Tuesdays and Thursdays</i>
<i>Spelling Tests</i>	<i>Fridays</i>
<i>Home Learning Due In</i>	<i>Wednesdays</i>
<i>Home Learning Set</i>	<i>Fridays</i>
