

# Peace Class Newsletter - Term 3

Dear Parents,

I hope you enjoyed the Christmas break. I am sure that the children will be ready and raring to go as we start our new topic: Vicious Vikings.

During the course of this term, we will be learning about the impact that the Viking invasions had on Britain, the continued invasions as well as the peace accord that was eventually agreed. We'll learn about Viking life in Britain and how the country was unified under one king. In Geography we'll be exploring Scandinavia and its features, including comparing the features of Sweden with Denmark.

In Science we'll be looking at Humans and other living things including plant and animal reproduction as well as comparing life cycles of different creatures. Our English will be based around the book Viking Boy and we'll be writing reports of various kinds, poems and character and setting descriptions.

In Maths we will be focussing on Multiplication and Division, Fractions and Decimals and Percentages.

PE this term will be on Wednesdays and Thursdays. On Wednesdays, we will be choreographing our own dance based on the Viking creation myth and on Thursdays we will be continuing hockey with Superstars.

If at any point should you have any questions or queries, please do come and find me.

With very best wishes,

*Mr Lawrence*
