*Together as one family, we strive for 'faith, love and peace', believe in the values of God and succeed with grace.
(2 Timothy 2:22)*

This term our School Value is **'Service'**.

A discussion with your child might be, 'Who in the community serves you?'

'Headlines'...

Firstly, well done to our Year 6 children who have shown great determination and perseverance during their end of key stage SATs this week. They all demonstrated focus and concentration throughout the tests, whilst still keeping a smile on their faces and have enjoyed a well-earned film afternoon as a reward for their efforts. Thank you also to all the staff who have helped run the Year 6 study club in the weeks leading up to these tests – we very much appreciate you giving up your time before school to support our Year 6 children.

Saturday 11th May saw our school participate in the annual Small Schools Tournament. This is a local village school netball and football tournament held at Seagry Primary each year. All of our players were a credit to our school – they played with enthusiasm, determination and fairness. I was very proud to be there supporting them, along with Mrs Magson, Mrs Baldwin and Mr Lawrence. Our football team finished in fourth place and our netball team demonstrated excellent perseverance whilst facing some challenging opponents!

Recently, our Year 5 children spent a 'taster day' at Hardenhuish School in order to help them make the difficult decision of which secondary school to attend in later years. The children thoroughly enjoyed their lessons and it was wonderful to hear that their effort and behaviour made us proud.

Finally, a reminder that FOSBs are selling ice creams after school on a Friday during the summer months. Let us hope the warm, sunny weather continues!

Rainbow Class

We have been helping Farmer Jon to write a fact book all about his farm. We have also been watching our seeds sprout. We have loved looking at our strawberries and we are planning a tea party next week (more details to follow).

Our Executive Headteacher Mr Madison will be in Sutton Benger School on the following dates.

Dates are yet to be confirmed for next term		

Please note that these may change due to unforeseen circumstances.

JOY

Joy Class

We have been enjoying Meerkat Mail and learning about the different places that Sunny visits. Today we have been taking Sunny on a tour of the school and will be writing postcards to his family.

Dove Class

We have been making rainmakers this term and in science the children have been investigating what plants need to grow. We currently have plants growing in unusual places around school! Plants will be coming home for the half term holiday 😊

Peace Class

Peace have been immersing themselves in Italian life; learning the language, creating Italian recipes and designing their own Italian resort. They have also started to compose a piece of music to accompany a film scene of their choice.

Hope Class

Hope have been enjoying learning about the amazing Amazon rainforest. We have particularly enjoyed turning animation into traditional story writing about the people of the Amazon rainforest. We have also enjoyed investigating the work of Henri Rousseau and using it to recreate our own rainforest pictures using oil pastels.

FAITH

Faith Class

We have been learning about Brazil in particular. With Mrs Pitts, the class have been using Garage Band to recreate a soundtrack to accompany a rainforest story. Next week, the children will be using percussion instruments to create a soundtrack and then compare with their digital one.

Trinity Class

Having finished SATs, well done Trinity, we're now going to start an art project where we will be linking with living things in science and we will be producing work, in part, inspired by Escher and O'Keeffe.

Reminders

Lunches

We would ask that parents please sit with their child when making lunch option decisions. The kitchen staff prepare and cook food to orders made by the parents and, unfortunately have had an increase in children wanting to change their option and getting upset when they can't have an alternative.

Suncream

As the weather is getting warmer, please provide a sun screen for you child whilst they are in school.
